Dear Ms. Mamakos:

The website of the Pennsylvania Securities Commission (Commission) contains a searchable database of press releases relating to orders that have been issued by the Commission. On April 18, 2012, as a result of a telephone call that I received from you, we discovered that Remediation Earth had been erroneously named in the body of a press release in a case that did not, in fact, involve Remediation Earth, but rather involved an unrelated individual named Robert J. Robison. We have corrected this clerical error and apologize for the confusion.

If you have any other questions, please feel free to call or e-mail me.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Jill D. Helbling".

Division of Enforcement, Litigation & Compliance
